PONTEFINO

# PRIME

H E I G H T S

Designed to mimic the quaint charm of Neo-Victorian architecture and the bright colors of San Francisco's famous "Painted Ladies," Pontefino Prime Heights is a charming residential development nestled at the heart of Batangas City's most exclusive residential development.

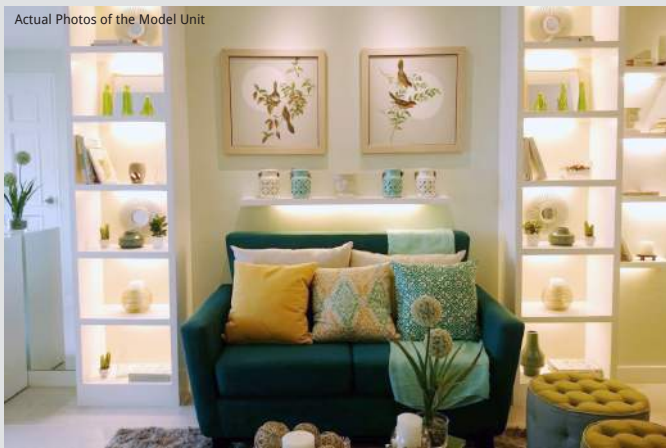

Bridge life and leisure as you enjoy a life secluded from the noise of the urban jungle, with recreational activities and amenities within your reach. Experience generous living space that evokes the best of the world's architecture, available only to a limited few.
